National Art Education Foundation

GRANT PROGRAM INFORMATION AND APPLICATION MATERIALS

For Project Year: July 1, 2020-June 30, 2021

NAEF Mission: The National Art Education Foundation (NAEF) invests in innovative initiatives to support instructional practice, research, and leadership in visual arts education.

▶ ▶ **Deadline: October 1, 2019** (postmarked)

GENERAL APPLICATION INSTRUCTIONS

NAEF Vision Statement:

As an independent, philanthropic organization, the National Art Education Foundation (NAEF) supports a wide variety of professional activities, including support for visual art educators to participate in professional development programs; the promotion of visual arts education as an integral part of the curriculum; the exploration of new models of visual arts instruction in public and private K-16 schools; the promotion of the teaching of art through activities related to the instructional process, curriculum, student learning, student assessment, management, or discipline; the purchase of equipment and/or instructional resources; and conducting research in visual arts education. NAEF has supported 330 projects since its inception in 1985. NAEF is a sister organization to the National Art Education Association (NAEA) and provides support for a variety of visual arts education programs for the Association and its members.

The National Art Education Foundation (NAEF) invites applications for the Ruth Halvorsen Professional Development Grants, Mary McMullan Grants, NAEF Research Grants, SHIP Grants, and Teacher Incentive Grants. The Foundation was established as an independent, sister organization to the National Art Education Association (NAEA) to provide support for a variety of art education programs. Foundation grants are made only to NAEA members, including student and retired members, state/province associations, and recognized affiliates.

PROJECT YEAR: The project year for these grants is July 1 2020 to June 30, 2021.

The National Art Education Foundation provides grant support in the following categories:

Ruth Halvorsen Professional Development Grants (up to \$3,000) (Refer to pages 7-9):

NAEF invites proposals for scholarships that promote NAEA's efforts to initiate and encourage the understanding and implementation of the goals for student learning promulgated through the *National Visual Arts Standards*. Annual scholarships are awarded to selected art educators whose proposals focus on understanding, implementation, and issues specifically relating to the *National Visual Arts Standards* and support the improvement of the teaching of art. Applicants for a Halvorsen Grant may **NOT** apply for a Teacher Incentive Grant, even if the proposals are for different projects.

Mary McMullan Grants (up to \$3,000) (Refer to pages 10-13):

NAEF invites proposals for support of projects that promote art education as an integral part of the curriculum; to establish and/or improve the instruction of art in public and private elementary and secondary schools as well as schools of higher education in the U.S. The following areas of classroom-based action research will be considered for funding:

1) Curriculum Models, 2) Pilot Projects, and 3) Policy Models.

NAEF Research Grants (up to \$10,500) (Refer to pages 14-18):

NAEF invites proposals to support research in art education that advances knowledge in the field of art education and that promulgate research surrounding the themes of the NAEA Research Agenda (see NAEA Research Commission website at www.arteducators.org; search: Research Commission). Grants are awarded to art educators whose proposals focus on the themes and ideas for research identified in this document. NAEF encourages the submissions of proposals to conduct research that investigates the impact and importance of arts education in student learning and provides hard data to support the findings of the research. While it is anticipated the research will be substantially completed within the year the award is made, additional funding may be provided upon application to enable a recipient to bring a research project to completion. NAEA and/or NAEF retains first rights to publish and disseminate results of the research.

SHIP Grants (up to \$1000) Refer to pages 19-21):

NAEF invites proposals for scholarships that promote NAEA's efforts to initiate and encourage the understanding and implementation of the goals for student learning promulgated through the *National Visual Arts Standards*. Annual grants are awarded to selected art educators whose proposals seek art equipment whose proposals seek art equipment to enable the art educator to improve the teaching of art and which are used to focus on student learning specifically related to the National Visual Arts Standards.

Teacher Incentive Grants (up to \$3,000) (Refer to pages 22-24):

NAEF invites proposals for scholarship support of projects that promote the improvement of the teaching of art. Teaching of art includes, but is not limited to, classroom-based action research in the following areas: the instructional process; curriculum; student learning; student assessment; classroom behavior, management, or discipline; or other practices relating to instructional interaction and the achievement of student learning. Applicants for a Teacher Incentive Grant may **NOT** apply for a Halvorsen Grant, even if the proposals are for different projects.

THE NATIONAL ART EDUCATION FOUNDATION GRANT PROGRAM

ELIGIBILITY AND APPLICATION INFORMATION

ELIGIBILITY: The NAEF Grant Program is open to active NAEA members who have been members for at least one year prior to the date of application: October 1, 2018; to state/province associations of NAEA; and to recognized special issues groups of NAEA. **All eligible applicants are encouraged to apply.** Previous funding is not a guarantee of future funding.

INELIGIBILITY (Applicants who are not eligible to apply):

- All applicants must have been an NAEA member as of October 1, 2018. Those whose membership has lapsed at any time during the year between October 1, 2018 and October 1, 2019 will not be eligible to apply.
- Applications from individuals who are members of only the state/province association are not considered NAEA members. Individuals must have an NAEA ID# in order to apply.
- Applications from non-members will not be considered.
- Applications from nonprofit organizations, preK-12 schools, after-school art programs, universities or other institutions will not be considered. NAEF grants support individual art educators to improve the teaching of art through participation in professional development (Halvorsen), by conducting research and trying new teaching models in the classroom (Research, McMullan, Teacher Incentive), and/or through the purchase of equipment (SHIP).
- NAEA members may not apply on behalf of the nonprofit organization or institution where they work. Individual NAEA members who are employed in nonprofit organizations or institutions may apply for eligible proposals in any category; however, NAEA members may not apply for the organization's project "on behalf of their organization."
- Applicants who are related to current members of the NAEF Board of Trustees.

NAEF DOES NOT FUND THE FOLLOWING REQUESTS:

- Funds to cover the costs of attending the NAEA National Convention, NAEA State Association Conferences, or other association conventions or conferences.
- Requests for equipment and digital devices: All requests for the purchase of equipment must be submitted in the SHIP grant category. NAEF grants in any category, including SHIP, may request funding for digital devices, including tablets and digital cameras, **ONLY** if the purchase does not exceed \$1,000 and is being used as artistic media within the context of the proposal. NAEF funding cannot be used for the purchase of computers. All other equipment purchases must be submitted within the SHIP grant category and meet the SHIP guidelines.
- Applicants may **NOT** submit the same proposal in more than one category. If the same proposal or aspects of the same project are submitted in more than one category, both proposals will be ineligible for funding. Please review the guidelines for each category and determine the category most applicable for the project.
- Applicants may apply for **EITHER** a Halvorsen Grant or a Teacher Incentive Grant as the source of funds is the same for both of these grant categories. Proposals from the same applicant for both categories—even if the projects are different—will no longer be accepted.
- NAEF does not fund professional development programs. All professional development programs funded by NAEF are those offered by NAEA.

National Visual Arts Standards: The National Visual Arts Standards were updated and released in June 2014. Please refer to the NAEA website (www.arteducators.org) and the National Arts Standards website (www.nationalartsstandards.org) for more information.

APPLICATION DEADLINE: OCTOBER 1, 2019 (postmarked) Deadlines assure all applicants that they will be treated fairly and equitably. For these reasons, NAEF must set a strict deadline for applications. Prospective applicants will avoid disappointment if they understand that late applications will be rejected.

REVIEW PROCESS: Every effort is made to ensure the impartiality of the jury relative to the applicants. All grants are awarded without regard to age, gender, race, special needs, or national origin.

HUMAN SUBJECTS: Applicants for Research Grants that involve the use of human subjects must submit a copy of the Institutional Review Board (IRB) approval and a copy of the human subject consent form to NAEF before any funds will be distributed. If the IRB process has been completed by the proposal deadline, include it with the proposal. Otherwise, file it with NAEF as soon as approval is obtained.

ENDORSEMENTS: Neither NAEF nor NAEF Trustees will provide endorsements to applicants or offer advice on the content or substance of applications. NAEF does not provide a "model proposal" or copies of previous grantee applications.

QUESTIONS ABOUT YOUR PROPOSAL? Applicants may contact Kathi R. Levin, NAEF Program/Development Officer, at NAEF@arteducators.org to answer questions about the application in advance of the deadline. This guidance is not a guarantee of funding.

THE NATIONAL ART EDUCATION FOUNDATION GRANT PROGRAM

ADDITIONAL INFORMATION TO ASSIST IN COMPLETING AN APPLICATION

APPLICATION PROCESS: Applicants are advised to carefully read and follow the requirements for each of the five programs as outlined in these guidelines and check to make sure that all required information is included before submitting a proposal. Omission of any required information will automatically disqualify the application.

PROJECT/PROPOSAL DESCRIPTION: Applicants are required to provide a one- or two-sentence description of their project or professional development proposal. This description will also be used for promotional purposes should NAEF funds be awarded.

BUDGET GUIDELINES:

- Proposals exceeding grant limit amounts will not be considered.
- Applicants must provide a breakdown of the major expenses for the program/project.
- Applicants must round off the total amount of the request (i.e. \$2,400 vs. \$2,402.89).
- The budget must clearly indicate how NAEF funds, if awarded, will be spent for specific portions of the budget. NAEF grants can cover all of the anticipated costs of the project if the budget does not exceed the allowable grant amount.
- Funding for materials and travel should be limited to a minor part of the grant and must be directly related to the operation and accomplishment of the project. Registration and/or travel costs to any conventions, including NAEA, will not be funded.
- Proposals for conducting conferences, indirect costs, or the production of publications will not be funded.
- The SHIP grant category is specific to the purchase of equipment. For all other categories, if proposals include the purchase of equipment, the purchase must be integral to the implementation and outcomes of the proposal. If the entire budget is for purchase of equipment, the proposal must be submitted in the Ship grant category.
- NAEF grants in any category, including SHIP, may request funding for digital devices, including tablets and digital cameras, ONLY if the purchase does not exceed \$1,000 and is being used as artistic media within the context of the proposal. NAEF funding cannot be used for the purchase of computers.
- Matching Funds: Proposals including plans for matching support will be given favorable consideration; however, matching funds are not a requirement. One NAEF grant application may not be matched against other NAEF grant applications. If matching funds are a part of the proposal, NAEF funds will not be released until there is proof that matching funds have been obtained. Funds from other sources must be reported.
- No overhead costs will be covered by NAEF grants.
- Proposals to support dissertations must be competitive with the priorities of the fund in terms of meeting the Research Agenda.

PROJECT TIMELINES: Each project timeline must have dates and years, so that there is a clear sequence of events taking place within the grant award period. The timeline should be aligned with the completion of project deliverables (i.e. specific benchmarks when events will take place and activities that relate to each of the objectives will be completed).

REFERENCES FOR RESEARCH PROJECT: All applicants must submit the names and contact information for three professional references with the proposal. Due to potential conflict of interest, members of the NAEF Board of Trustees may not be submitted as references (see current list at the end of the guidelines and/or on the NAEF website).

PREVIOUS NAEF AWARDEES: Applicant must provide on the cover page the year and category of previous NAEF awards, along with the amount of award and project title. This is separate from what might be included in the CV or resumé.

PROJECTS ALREADY UNDERWAY: Funding will not be awarded retroactively—if projects start prior to the start of the funding period, expenses incurred prior to the start of the funding period will not be reimbursed.

THE NATIONAL ART EDUCATION FOUNDATION GRANT PROGRAM

INFORMATION FOR FUNDED APPLICANTS

NOTIFICATION: All applicants (both funded and non-funded) will receive notification in writing by email, to the address provided in the application, regarding their proposal by June 1, 2020.

RELEASE OF FUNDS: All funded applicants must request release of funding in writing after July 1, 2020. Funds are released in one total payment. The request for release of funds should be sent by e-mail to: Kathi R. Levin, Program/Development Officer, National Art Education Foundation, NAEF@arteducators.org

CREDITS: A credit line, "Supported by a Grant from the National Art Education Foundation," is required to appear on all documents generated through the project.

REPORTING: Grant recipients must submit a summary report within 30 days of completion of their project, including an accounting of funds and copies of all documents and materials developed as part of the project. Failure to submit a final report may result in rescinding of the grant which will require the grantee to return all grant funds, including those expended, to the Foundation. Grant recipients, upon completion of their awards, may be asked to present at the NAEA National Convention.

Two copies of your final report should be sent by mail to:

National Art Education Foundation

901 Prince Street

Alexandria, VA 22314

If you would like to submit your final report electronically in addition to the copies submitted by mail, you may do so at naef@arteducators.org. Email submission does not replace mailed copies of your final report.

CONTENT OF REPORT: All recipients of NAEF grant funds are required to submit a report which provides information describing what took place as a result of NAEF funding. Project grant recipients should describe what took place and the impact of the funding in relation to the expectations anticipated at the time of application. Professional development recipients should provide verification that they attended the workshop, institute, or other program that they attended with NAEF funding. All grant recipients should provide two (2) copies of any materials generated by the NAEF-funded project.

Research grant recipients should provide a summary of their project including the goals, methodology, and findings resulting from the research study; an overview of the actual expenditures (vs. the budget submitted with the proposal); and two (2) copies of any report or publications that resulted from the study.

It is the goal of NAEF to share the impact of funding, so any additional information that the recipient feels would help to this end is appreciated.

EXTENSIONS OR CHANGES IN THE PROJECT: There are times when changes to the original proposal may be necessary. Any substantive changes in the content, timeline, and/or budget for the grant must be approved by NAEF in advance. Failure to do so may result in the need to return funds. Requests for extensions and any substantive changes in the project (including, for example, the need to attend a different workshop or study with a different artist or at a different location) should be put in writing by e-mail to: NAEF@arteducators.org

RESCINDED GRANTS: Failure to request release of funds prior to the close of the NAEF fiscal year on June 30, 2021, will automatically result in the funding being rescinded, and the recipient will forfeit the grant funding.

MARY McMULLAN GRANTS

GENERAL DESCRIPTION: The National Art Education Foundation (NAEF) invites proposals for support of projects that promote art education as an integral part of the curriculum; to establish and/or improve the instruction of art in public and private elementary and secondary schools as well as schools of higher education in the US.

WHAT IS FUNDED THROUGH THIS GRANT PROGRAM:

The applicant must identify the ways in which the project will support the improvement of their teaching of art. The following areas of classroom-based action research* will be considered for funding. These funds support individual art educators to test new models in their classrooms. Funds cannot be used to provide professional development institutes or similar programs for others.

Curriculum Models:

- Development of model in-school art education programs targeting selected participants as ongoing components of the curriculum
- Teacher development of models that focus on student-centered solutions to art education curriculum
- Development of curriculum models that focus on global perspectives of art resources.

Pilot Projects

- Development of pilot projects focusing on teacher training and student learning emphasizing the approved goals of the National Art Education Association

Policy Models

- Development of models that promote quality art education to educators, business leaders, and policy makers—people in positions to effect lasting improvements in the status of art education

PROJECT YEAR: The project year runs from July 1, 2020, through June 30, 2021.

FUNDING LEVEL: Mary McMullan Grants are limited to a maximum of \$3,000 per grant.

THE PROPOSAL: A proposal for a Mary McMullan Grant must include the following:

- A completed cover sheet
- A completed checklist
- Title of the project
- Project/Proposal description (1-2 sentences)
- Statement of the problem or need
- Description of the population to be served
- Project objectives which identify the applicant's personal goals for improving their teaching. Please state your goals for why and how this project will improve your teaching. If you choose to include goals for student learning, these are in addition to your goals as an educator.
- Specific activities to accomplish each objective
- Duration of project
- Timeline of project activities with dates (i.e. month or time period: Summer 2020, Fall 2020, etc.)
- One-page statement of anticipated benefits
- One-page detailed budget (see Budget Guidelines) that:
 - Itemizes and justified all funding being sought
 - Clearly identifies the use of Mary McMullan Grant funds
- Appendices
 - Resumés of key personnel
 - Letter of endorsement of this project from an administrator with authority to approve it

TOTAL LENGTH OF THE PROPOSAL: EIGHT (8) pages maximum, **EXCLUDING** appendices, the cover page, checklist.

FORMAT:

- 30 lines per page, font size no smaller than 11 points, 8 ½” x 11” paper, one side only.
- The cover page must be placed on the top of the proposal so that the applicant’s name is visible. Do NOT create a separate cover page.
- The checklist should be the second page of the proposal. It should be placed BEHIND the cover page. It should NOT be printed on the back of the cover page.
- Do not add a Table of Contents or an additional Title Page.
- All collated copies should be stapled with one staple in the upper left hand corner of the proposal. If your proposal is too thick to be stapled, please attach a binder clip at the upper left hand corner of each proposal.
- Proposals submitted in binders will be disqualified.
- If your proposal is not collated it will not be sent to the reviewers and will be disqualified.
- Clearly label the 2-3 sentence Project Description and include it at the start of the proposal narrative.

EIGHT(8) collated copies of the Complete Proposal must be enclosed in one package and postmarked by October 1, 2019.

* Action research is systematic reflective inquiry that is done by art educators working individually, or in collaboration with others, in schools, museums, community arts centers and those other locations in which art education occurs. Action research emphasizes discovering possible responses to problems and questions emerging within the setting in which the researcher is working. NAEF RESEARCH GRANTS

GENERAL DESCRIPTION: The National Art Education Foundation invites proposals to support research in art education that advances knowledge in the field of art education and that supports the themes outlined in the NAEA Research Agenda.

WHAT IS FUNDED THROUGH THIS GRANT PROGRAM: Funds are awarded to selected art educators whose proposals specifically focus on issues relating to one of the recommendations identified in this document. NAEF invites proposals to support research in art education that advances knowledge in the field of art education. Grants are awarded to art educators to pursue a broad range of research topics that are included within the NAEA Research Agenda adopted in 2014. NAEF encourages the submissions of proposals to conduct research that investigates the impact and importance of arts education in student learning and provides hard data to support the findings of the research. Multiple researchers (i.e. 2 or 3 researchers) who are members of NAEA may apply for a collaborative project, as long as a lead researcher is identified. The cover letter should come from all the researchers along with contact information and resumes.

Eligible applicants are welcome to submit proposals in all areas of research. In addition, as part of NAEF's collaboration with the NAEA Research Commission, NAEF encourages submissions of the following proposals:

- Proposals that support the creation of communities of learners, including both researchers and practitioners, working together to explore a research question and/or problem.
 - o These proposals should include a community of learners working to explore a research subject and put forward a research methodology that includes a mix of researchers and practitioners to support this goal. Either the researcher(s) or practitioner(s) can be the lead applicant.

In this context, description of researchers and practitioners:

Researcher—arts educators currently not working directly with learners in the preK through 12 classroom, museum or community setting conducting research to study, gather information, or conduct inquiry into ideas related to the status or improvement of arts education

Practitioner—arts educator predominantly working with learners in the preK through 12 classroom, museum, or community setting.

- Proposals that support the identification of best practice and research that leads to further understanding of the impact and importance of arts education to student learning in and through the visual arts in a variety of settings, with an interest in research that provides quantitative data to support its findings.

These priorities do not preclude other submissions meeting the eligibility of the current Research Guidelines. NAEA and/or NAEF retains first rights to publish and disseminate results of the research.

PROJECT YEAR: The project year runs from July 1, 2020, through June 30, 2021.

While it is anticipated the research will be substantially completed within the year the award is made, additional funding may be provided upon application to enable a recipient to bring a research project to completion.

FUNDING LEVEL: NAEF Research Grants are limited to a maximum of \$10,500 per grant.

THE PROPOSAL: A proposal for an NAEF Research Grant must include the following:

- A completed cover sheet
- A completed checklist
- A separate cover letter (not to exceed two pages) in which the applicant briefly describes the research proposal, how the research focuses on one or more of the themes and suggested questions within the NAEA Research Agenda, and his/her qualifications for undertaking the research. The letter must include the applicant's home and work addresses, phone, and Fax, if applicable.
- Project/Proposal Description (1-2 sentences) The Title of the Project and the 1-2 sentence Project Description should appear at the top of the Research Proposal (see next bullet).

Continued Next Page

- A separate research proposal (not to exceed six pages) which states the nature of the problem to be investigated; identifies a research hypothesis, design, and methodology; describes the relationship of the proposed research to existing research in the field; indicates what data are to be collected and examined; and explains the method(s) to be used in analyzing and reporting the data. **This section should be 30 lines per page with one-inch margins on all sides, 8 1/2" x 11" paper, one side only. This section will be used for blind review and must not contain references to the applicant or their institution.**
- A separate one-page budget, outlining the amount of funds requested for the project and the manner in which they will be used, and a one-page budget narrative. The budget must include details of any funding expected or possessed from other sources. **The budget cannot include any overhead costs.**
- A one-page timeline of activities with dates (i.e. month or time period: Summer 2020, Fall 2020, etc.).
- A separate comprehensive professional resume, complete with information concerning art teaching experience, research background, and citations of published or unpublished writings in art education
- A separate page (one page) with the names of three references who will attest to research qualifications and the ability of the applicant to complete complex and demanding tasks. **References should not be NAEF Trustees.**
- Copies of previous research, published or unpublished, may be included but are not required.
- Applicants for Research Grants that involve the use of human subjects must submit a copy of the Institutional Review Board (IRB) approval and a copy of the human subject consent form to NAEF before any funds will be distributed. If the IRB process has been completed by the proposal deadline, include it with the proposal. Otherwise, file it with NAEF as soon as approval is obtained.
- Proposals to support dissertations must be competitive with the priorities of the fund in terms of meeting the Research Agenda.

Proposals for the purchase of equipment, conducting conferences, indirect costs, or the production of publications will not be funded. Funding for materials and travel shall be limited to a minor part of the grant and must be directly related to the operation and accomplishment of the research. Presenting an after school program or summer institute for children, or educators at any level (i.e. classroom teachers, art educators, teaching artists, or administrators), is not research. If research is being conducted on the program, the cost and activity of doing the program should not be part of the research proposal or its budget.

There is no restriction to using these grants as matching funds nor to matching these grants from other sources; however, the Foundation must be fully informed of this intention and will deny funds to any applicant (or awardee) who does not make such disclosure. NAEF grant funds may not be matched against other NAEF grant applications. If matching funds are involved, NAEF funds will not be released until there is proof that matching funds have been obtained. Full accounting of the use of all NAEF funds will be required on completion of the project (normally expected to be one calendar year). The specific method of distribution of funds to the recipient will be determined on a case by case basis through negotiation between the recipient and the Foundation's Secretary/Treasurer. The Foundation may request additional materials if it feels a proposal has merit, yet is insufficiently comprehensive in its presentation for a decision to be made concerning its merit.

TOTAL LENGTH OF THE PROPOSAL: ELEVEN (11) pages maximum based on the total pages for each item listed above, **EXCLUDING** cover page, checklist, resume, copies of previous research.

FORMAT:

- 30 lines per page, font size no smaller than 11 points, 8 1/2" x 11" paper, one side only.
- The cover page must be placed on the top of the proposal so that the applicant's name is visible. Do NOT create a separate cover page.
- The checklist should be the second page of the proposal. It should be placed BEHIND the cover page. It should NOT be printed on the back of the cover page.
- Do not add a Table of Contents or an additional Title Page.
- All collated copies should be stapled with one staple in the upper left hand corner of the proposal. If your proposal is too thick to be stapled, please attach a binder clip at the upper left hand corner of each proposal.
- Proposals submitted in binders will be disqualified.
- If your proposal is not collated it will not be sent to the reviewers and will be disqualified.
- Clearly label the 2-3 sentence Project Description and include it at the start of the proposal narrative.

EIGHT(8) collated copies of the Complete Proposal must be enclosed in one package and postmarked by October 1, 2019.

SHIP GRANTS

GENERAL DESCRIPTION: The National Art Education Foundation invites proposals for scholarships that promote NAEA's efforts to initiate and encourage the understanding and implementation of the goals for student learning promulgated through the *National Visual Arts Standards*.

WHAT IS FUNDED THROUGH THIS GRANT PROGRAM: Funds are awarded to selected art educators whose proposals seek art equipment and/or instructional curriculum resources used to focus on student learning specifically related to the *National Visual Arts Standards* (Refer to the NAEA website www.arteducators.org. The National Visual Arts Standards are available at www.nationalartsstandards.org). SHIP funds are for the purchase of equipment, not general art supplies. Equipment is something that lasts over time, rather than disposable or consumable art supplies.

PROJECT YEAR: The project year runs from July 1, 2020, through June 30, 2021.

FUNDING LEVEL: SHIP Grants are limited to a maximum of \$1000 per grant.

THE PROPOSAL: A proposal for a SHIP Grant must include the following:

- A completed cover sheet
- A completed checklist
- Title of Project
- Project/Proposal Description (1-2 sentences)
- Statement of the problem or need
- Description of the population to be served
- Project Objectives which identify the applicant's personal goals for improving their teaching.
- One-page statement of anticipated benefits, including how this equipment purchase will benefit your students and improve your capacity for teaching art. Please state your goals for why and how this project will improve your teaching. If you choose to include goals for student learning, these are in addition to your goals as an educator.
- Duration of the project
- One- page budget breakout (See Budget Guidelines) that:
 - Itemizes and justifies all funding being sought
 - Clearly identifies use of the SHIP Grant monies (SHIP Monies must be for specific equipment purchase rather than disposable supplies)
- Appendices
 - Resumés of key personnel
 - Letter of endorsement of the project form an administrator with the authority to approve it

TOTAL LENGTH OF THE PROPOSAL: FIVE (5) pages maximum, **EXCLUDING** the appendices, cover page, and checklist.

FORMAT:

- 30 lines per page, font size no smaller than 11 points, 8 ½" x 11" paper, one side only.
- The cover page must be placed on the top of the proposal so that the applicant's name is visible. Do NOT create a separate cover page.
- The checklist should be the second page of the proposal. It should be placed **BEHIND** the cover page. It should NOT be printed on the back of the cover page.
- Do not add a Table of Contents or an additional Title Page.
- All collated copies should be stapled with one staple in the upper left hand corner of the proposal. If your proposal is too thick to be stapled, please attach a binder clip at the upper left hand corner of each proposal.
- Proposals submitted in binders will be disqualified.
- If your proposal is not collated it will not be sent to the reviewers and will be disqualified.
- Clearly label the 2-3 sentence Project Description and include it at the start of the proposal narrative.

TEACHER INCENTIVE GRANTS

GENERAL DESCRIPTION: The National Art Education Foundation (NAEF) invites proposals for scholarship support of projects that promote the improvement of the teaching of art.

WHAT IS FUNDED THROUGH THIS GRANT PROGRAM: Funds are awarded to classroom-based action research* projects that facilitate development of the applicant's teaching capacities to provide visual art instruction that reflects the vision promulgated by the National Art Education Association in areas such as curriculum; student learning; student assessment; classroom behavior, management, or discipline; or other practices relating to instructional interaction and the achievement of student learning. The applicant must identify the ways in which the project will support the improvement of their teaching of art. These funds support individual art educators to test new models in their classrooms. Funds cannot be used to provide professional development institutes or similar programs for others.

PROJECT YEAR: The project year runs from July 1, 2020, through June 30, 2021.

FUNDING LEVEL: Teacher Incentive Grants are limited to a maximum of \$3,000 per grant.

THE PROPOSAL: A proposal for a Teacher Incentive Grant must include the following:

- A completed cover sheet
- A completed checklist
- Title of the project
- Project/Proposal description (1-2 sentences)
- Statement of the problem or need
- Description of the population to be served
- Project objectives which identify the applicant's personal goals for improving their teaching
- Specific activities to accomplish each objective
- Duration of project
- Timeline of project activities
- One-page statement of anticipated benefits
- One-page detailed budget (See Budget Guidelines) that:
 - Itemizes and justified all funding being sought
 - Clearly identifies the use of the Teacher Incentive Grant funds
- Appendices
 - Resumes of key personnel
 - Letter of endorsement of this project from an administrator with authority to approve it

TOTAL LENGTH OF THE PROPOSAL: EIGHT (8) pages maximum, **EXCLUDING** the appendices, cover page, and checklist.

FORMAT:

- 30 lines per page, font size no smaller than 11 points, 8 ½" x 11" paper, one side only.
- The cover page must be placed on the top of the proposal so that the applicant's name is visible. Do NOT create a separate cover page.
- The checklist should be the second page of the proposal. It should be placed **BEHIND** the cover page. It should NOT be printed on the back of the cover page.

- All collated copies should be stapled with one staple in the upper left hand corner of the proposal. If your proposal is too thick to be stapled, please attach a binder clip at the upper left hand corner of each proposal.
- Proposals submitted in binders will be disqualified.
- If your proposal is not collated it will not be sent to the reviewers and will be disqualified.
- Clearly label the 2-3 sentence Project Description and include it at the start of the proposal narrative.

EIGHT(8) collated copies of the Complete Proposal must be enclosed in one package and postmarked by October 1, 2019.

* Action research is systematic reflective inquiry that is done by art educators working individually, or in collaboration with others, in schools, museums, community arts centers and those other locations in which art education occurs. Action research emphasizes discovering possible responses to problems and questions emerging within the setting in which the researcher is working.
