## Outstanding Student Chapter Award

---

***Please encourage student chapters in your area to apply for the 2020 Outstanding Student Chapter Award. The online application and rubric are available on the Preservice and RAEA pages on the NAEA website in the Community section. The application deadline is November 1, 2019.***

---

In recognition of outstanding activities carried out during the year by a Student Chapter, the Retired Art Educators Interest Group (RAEA) annually invites nominations for the Outstanding Student Chapter Award, sponsored by the RAEA. The award, to be given annually, honors an outstanding NAEA Student Chapter. The RAEA/NAEA presents a certificate and monetary award to the selected chapter. The selected chapter is invited to present an overview of activities at the RAEA Awards Ceremony at the annual NAEA Convention.

The award is funded with proceeds earned from the RAEA Silent Auction, which is held each year at the NAEA National Convention's Artisans Gallery. The selected chapter is encouraged to use the funds to help support student members who attend the NAEA National Convention or for special projects.

**ELIGIBILITY:** Must be a registered NAEA student chapter with NAEA effective through the NAEA National Convention, March 26-28, 2020 (annual registration required).

**APPLICATION:** The online application is on the NAEA website. The submission deadline for the 2020 Award is November 1, 2019.

The Award Selection Committee includes: an appointed active RAEA member as chair/coordinator, serving without vote; the current Preservice Division Director as an ex-officio member, serving without vote; two (2) active RAEA members appointed by the RAEA President; and the student chapter advisor of the past year's winning chapter, each with a vote: (3) voting members.

## Co-Editors' Note:

Thanks go to our spotlighted new retiree, Debra Pylypiw, for sending an article about being newly retired, which was included in the September E-Bulletin edition. Inadvertently the last line of the Fifth paragraph was cut off. That paragraph should read like this:

“That’s because I didn’t make art for so many years. Yes, there was the occasional workshop where I learned a new technique or there were the examples I drew on the board for demonstration for my students. But to just sit and play? No, I didn’t do it. And I missed it.”

Thanks again to Debra and my apologies for the error!
